### NEIGHBOURHOODS ALIVE!

In April 2007, Manitoba Intergovernmental Affairs Minister Steve Ashton announced that Dauphin joined 4 other communities in becoming a Neighbourhoods Alive! [NA!] designated community.

Neighbourhoods Alive! is a Manitoba government initiative implemented to assist communities with revitalization planning and funding for projects that rebuild vital components of neighbourhoods. To this end an interim advisory committee based on a cross-section of community stakeholders was selected by the government to begin the task of coordinating our community planning. NA! believes strongly that the community has the best ideas for neighbourhood rebuilding.

### FUNDING PROPOSALS

Incorporated not-for-profit organizations within the City of Dauphin are eligible to apply for funding through the NA! initiative. Proposals should address community priorities and be based on strong community partnerships.

### Application Process:

- ◇ Submit draft proposal to Dauphin Neighbourhood Renewal Corporation
- ◇ DNRC will review the proposal and offer suggestions
- ◇ If approved by the DNRC board, final draft proposal will be forwarded to Neighbourhoods Alive! with DNRC endorsement

*Please contact community manager if your group wants to consult about the community process, submit a funding proposal or is simply looking for more information about the project.*

Copies of the *Community Guide for Proposal Writing* are available from the community manager.
