and shoe boxes)

Tetra Pak Beverage Containers

The City of Dauphin is pleased to announce the return of
curbside blue box recycling service, effective **Monday, May 14th, 2007**.

The service will be provided by Parkland Regional Recycling, a subsidiary of
Portage and District Recycling Inc., a company that provides service to
48 other Manitoba municipalities.

You will be required to place your recyclables in Blue Boxes. If you need
to purchase a blue box they are available locally at Home Hardware
and Canadian Tire.

The collection of recycling materials will occur curbside at the front of
Dauphin homes every two weeks and be on the same day as garbage pick-up.
Please see waste and recycling collection calendar on reverse side.

Please rinse and remove all labels and lids from cans and bottles,
rinse and collapse milk and juice cartons and fold and flatten all cardboard.
Please remember polystyrene containers & packing materials, plastic film
& plastic bags and aluminum foil will NOT be accepted.

Mayor and Council encourage all residents to use their old blue box or purchase
a new one and participate in the blue box recycling program.
