City of Dauphin
Heavy Equipment Rental Proposals

SPECIFICATIONS

1. EQUIPMENT

The City of Dauphin will rent, from time to time, the following type of equipment for maintenance work and snow removal:

- a) Motor graders
- b) Rubber tired front-end loaders
- c) Track excavators
- d) Crawler tractors
- e) Hydrovac trucks
- f) Septic trucks
- g) Tandem/Semi dump trucks

2. RENTAL RATES

The Contractor shall provide rental rates for each machine he/she is offering to rent for maintenance work and snow removal. The rates will include all costs associated with the rental, excluding GST, including operator, unless otherwise specified in Schedule 1. Contractors shall indicate the capacities of each machine. The contractor shall acknowledge that travel time, service and equipment warm up time is not eligible for payment. Low bedding of equipment to the job site will only be paid one way – for delivery to the site.

3. INSURANCE

The Contractor shall, at their own cost, provide and maintain throughout the contract term the following insurance coverage while carrying out work for the City of Dauphin:

- 3.1 Either by way of a separate policy or by an endorsement to his/her existing policy Comprehensive General Liability Insurance, acceptable to the City of Dauphin and subject to limits of not less than two million dollars, (\$2,000,000.00) inclusive per occurrence for bodily injury, death, and damage to property including loss or use thereof.
- 3.2 Liability insurance in respect of owned licensed vehicles subject to limits of not less than two million dollars, (\$2 000 000.00) inclusive.
- 3.3 The insurance shall be in the joint names of the Contractor and the City and shall also cover anyone employed directly or indirectly by the Contractor to perform part or parts of the work.
- 3.4 The Contractor shall provide the City with evidence of **all** Liability Insurance prior to the commencement of the work, and shall promptly provide the City with a certified true copy of each insurance policy.

4. **MANITOBA PUBLIC INSURANCE – LICENSE REQUIREMENTS**

All trucks contracted with the City of Dauphin must be licensed in accordance with the Manitoba Public Insurance Act.

5. **WORKERS COMPENSATION BOARD**

All Contractors shall be registered and in good standing with the Workers Compensation Board of Manitoba. **Contractors who default on WCB during the contract period must decline when called or are liable for any premiums, penalties and/or interested incurred by the City.**

6. **CITY OF DAUPHIN OCCUPATIONAL SAFETY & HEALTH PROGRAM**

All Contractors are required to comply with the City of Dauphin's Occupational Safety and Health Program, and complete a Contractor's Safety Declaration prior to commencement of work.

7. **CITY OF DAUPHIN LICENSE REQUIREMENT**

Contractors are required to comply with the City of Dauphin's Business License By-law. Licenses can be obtained at City Hall, 100 Main Street South, phone 204-622-3200.

8. **TERM**

This proposal shall cover the 2019 year.

9. **SELECTION**

Equipment to be rented shall be selected on the basis of the most economical unit price and the availability of the Contractor's machinery when needed by the City. Lowest bid not necessarily accepted.

10. **PAYMENT**

Payment will be made within thirty (30) days of receipt of invoices. Contractors shall invoice for equipment rented within thirty (30) days (minimum) of the completion of certain sections of work. Hours of operation and each machine rented shall be verified by the Foreman on Shift, daily, for each day worked.

11. **CONTACT PERSONNEL**

The Contractor shall submit, with his/her proposal, the name(s) and phone number(s) of personnel of his/her firm who are to be contacted for the rental of equipment. Contact will be made by telephone only. The City will in no way be obligated to seek out the Contractor by personal contact. If contact cannot be made by telephone, the City will proceed to contact another Contractor.

The City will make every attempt to contact Contractors during normal working hours; however, in cases of emergencies contact may be made at any time of the day or night.

12. **COMMUNICATIONS**

All equipment shall be equipped with cell phones to ensure immediate communication is available between the City and operators.

13. **TRUCK DRIVER/EQUIPMENT OPERATOR SHIFTS**

On occasion the City of Dauphin requires Snow Clearing on a continuous basis. If this should occur, the City of Dauphin will require the Contractors to provide new Truck Drivers or Equipment Operators every 12 hours. If a new Driver or Operator is not provided, the equipment will be sent home. The purpose of the above is to ensure that Public Safety and efficient snow clearing operations are maintained.

14. **PROPOSAL CLOSING**

Sealed proposals for Heavy Equipment Rental will be received by The City of Dauphin up to and including 12:00 noon, local time, Friday, November 30, 2018.
