

PROCLAMATION

WHEREAS coworking is a new and emergent movement that brings together freelancers, entrepreneurs, remote workers, and home-based businesses in a shared office environment;

AND WHEREAS coworking is not just about sharing space and expenses; it is about belonging to a collaborative culture and community;

AND WHEREAS the majority of our workforce is predicted to be freelance within a decade, and coworking is a trend that is driven by millennials with 47% of millennials currently freelancing;

AND WHEREAS Dauphin Economic Development & Tourism is partnering with Community Futures Parkland and the Dauphin & District Chamber of Commerce to host Coworking Takeover Week in Dauphin;

AND WHEREAS these activities are designed to test the interest of coworking in our community and to bring attention to the growing group of independent professionals in our local workforce;

**NOW, THEREFORE, WE THE COUNCIL OF THE
CITY OF DAUPHIN
DO HEREBY PROCLAIM**
