

Dear Resident,

OSS and the City of Dauphin are pleased to announce the start of Residential Automated Recycling Collection which is set to begin September 13th, 2016! Today, you have received your new blue rolling recycling container along with:

- FAQs (frequently asked questions) sheet
- A “how to” quick reference page
- A recycling guide
- A 2016 recycling schedule with map

Containers

Please move the container to a secure location that is convenient for you to use.

Your recycling container will be collected from the same location that you receive waste collection.

Collection

Your recycling container will be collected every two weeks, starting the week of September 13th, 2016. **Your recycling collection day does not change.** Please see the collection schedule included in this package for your recycling day. On collection day, remember to have your container out for collection by 7:00 am.

Please save this schedule for future reference.

Inquiries

For any questions, comments or concerns, contact the City (204-622-3200) or OSS at:

204-783-6995
